

THE ULTIMATE ROLE-PLAYING GAME

DRAGON WARRIORS

BOOK FOUR

Out of the Shadows

Out of the Shadows

— stealth might's black spear for the Assassins. Armed with the secret lore of the most adventuring professions, players become the shadow warriors, the silent killers of the dark, who pass seasons suffering with death by poison, blade or lethal shadowing star.

That all the Shadow's powers that kill rule the Assassins — techniques of stealth and the martial arts as well as arcane alchemy, mysterious creature magic and the unstoppable powers of the DRAGON GOD! Also included in the book are more than fifty new leveling mechanics, special combat expertise and magic for high magic characters, and three other long adventure sections.

Once again you and your friends can experience the excitement of adventure in the DRAGON GODS' DRAGONSLANDS fantasy world.
